

**OWNERS AGREEMENT WITH
THE PRESERVE**

RESPECTIVE TO TRASH & DEBRIS

This acknowledges that I am the Owner of Lot _____ in The Preserve and I agree to keep the lot free from all trash and debris and to keep the lot clean.

TRASH. Such as paper products will be cleaned daily. I recognize that the wind could blow trash onto surrounding lots, thus I will keep such trash that could be blown from our worksite to surrounding lots, including lots across the street, picked up.

DEBRIS. Such as building materials will be removed by each sub-contractor at the appropriate time. No debris will be deposited on any adjacent lots.

STREET
CLEANING I agree to keep the street clean in front of the property on which I am building. I further agree to the Street Cleaning Policy of The Preserve Construction Rules as described in Item 6. Street Cleaning.

Furthermore, I agree that such trash or debris will be hauled off The Preserve property and I recognize that if my Builder or any Sub-contractor is proven to have dumped any trash or debris on The Preserve property, I will pay a determined fine in the amount of damages (such as cost to remove) and I will make such payment within 30 days of receiving an agreed upon bill.
